CAREER OPPORTUNITY

Forestry Operations Supervisor

Stuwix Resources Joint Venture is a well-established fiber management and marketing company that is owned by 8 First Nations Communities with its office located in Merritt, British Columbia. Stuwix ensures our local First Nations stewardship values are incorporated in forest management at all levels of our operations.

Commencing immediately, we are looking to add an Operations Supervisor who will work within our operations department and work directly with our Operations Manager to implement Stuwix's harvesting and roads program

Descriptions & Duties

Duties of this position include but may not be limited to:

- Safety and environmental (SFI) planning and development
- Logging and road construction supervision
- Liaison with government agencies, stakeholders, First Nations, and local licensees
- Finalize log calculation analysis with Operations Manager
- Conduct inspections to implement Stuwix's, Safety, EMS, and log quality programs
- Implement applicable plans and work with the Planning Forester and Accounting to accurately report costs and plan changes to support business requirements.
- Contract negotiations and implementation
- Assist with Developing harvest plans

Preferred Characteristics and Prerequisites

- Team-orientated self-starter looking for diversity and career growth
- Quick and adaptive learner
- Minimum 5 years working in forestry operations.
- Strong verbal and written communication skills
- Strong computer skills – preference in Microsoft Office, Arc GIS, and Tablet App's
- Knowledge and understanding of First Nations Values
- RPF or RFT designation preferred or in process
- Valid Class 5 BC Driver's License with clean drivers abstract

Salary

- Salary is commensurate on individuals' ability, skills, and experience. (\$70,000-\$90,000)
- Stuwix Resources Joint Venture offers a comprehensive benefits package
- Stuwix believes in a healthy work life balance
- Closing date for applications is March 4, 2022
