HEALTH TEAM MESSAGE

Each of us has chosen to work in health care for different reasons, yet we all share a desire to serve our communities. Thanks to an incredible team working daily to provide the best for our clients and community, it will be a fantastic year of growth and opportunity at the health centre.

I am thankful to the people who trust us daily for their care or the care of their loved ones. It is an honour and a privilege to provide them with the high-quality maintenance and emotional support they deserve and expect from us.

The Health Centre is available to on-reserve Band and Community members Monday to Friday from 8:30am to 4:30pm. Please feel free to call or drop in. If you would like to attend any services, please call the health center at 250-292-1478 to book an appointment.

We have a Traditional Medicines table with helpful literature for pick-up that explains how to harvest, prepare, and use for you and your family - pre-designed by USIB knowledge keepers.

*On occasion, we do have programming for off-reserve band members. Please stay up to date with the Band website.

We encourage community to call the Health Centre with any and all ideas in the hopes to expand services that are of interest to you.
